

# **SPECIAL BULLETIN UAW LOCAL 2000 SEPTEMBER 28, 2011**

As you know, National and Local negotiations are currently in progress.

Since we will be laid off the weeks of October 3 and October 10, we want to let the membership know that if there should be tentative agreements reached between the parties during that two-week time frame, information regarding the contract highlights and ratification vote will be posted on our web page.
